

Emmbrook Infant School 2017-2018 Sports Funding

'By the age of 7 years old most children are said to have already decided whether they enjoy being active'

At Emmbrook Infant School we want our children to understand the benefits of a healthy lifestyle and to enjoy being active. We aim to offer a range of different activities that will cater for every individual preference.

2016-17 Funding £8,900

This year we continued to employ our qualified Sports' coach (Jack Fisher) to deliver high quality lessons. He delivers lessons on football, hockey, tag rugby, netball, golf, cricket and athletics. The lessons are a mixture of skill development, game variation and culminate in small team games. We continued to encourage participation in after-school clubs and survey the children so that we can continue to improve our provision.

This year the Sports' Premium helped fund participation in a Local football tournament at Bisham Abbey for our children.

The staff also benefitted from some high-quality professional development as they observed and supported Mr Fisher's lessons.

Enrichment Workshops:

The children continued to experience and enjoy a variety of workshops. The sports grant supported the funding of Healthy Week in October 2016. During this week the children experienced a Gamalan workshop, a multi-sports workshop delivered by Fab Academy, visits from Buttercup the cow and Clover the goat, a Louis Taylor Road Safety show and an A-Life Workshop.

2017-18 Funding £17,800

This year the Sports' Premium has increased and as such we will also be increasing the provision to the children. Jack Fisher, our qualified sports' coach will continue to deliver high quality PE lessons to all our children throughout the year as detailed above. All children were surveyed at the end of the academic year to illicit their views on their PE lessons and after school clubs. As a result, we will be using some of the Sports' Premium to fund sport or healthy lifestyle themed workshops for the whole school using a variety of external providers. These will include A-Life Workshop, Bollywood Dancing, Tennis workshops, multi-skills, Circus skills, Gymnastics, International dance, scooter training, bike-ability, martial arts, basketball and many more. We will aim to provide at least one per month. The Sport Premium will also be used to fund Healthy Week when the children experience a variety of different workshops with a healthy or fitness-lifestyle theme.

We are hoping to use some of the Premium to support the children in taking part in local sporting competitions.

Extra-Curricular Clubs

We have noticed a much larger interest in our after-school clubs. Applications for these are now all over-subscribed with waiting lists. Interest comes from all year groups. We endeavour to change our providers and meet the request of our pupils. This year we will be providing Martial Arts after school as the children have requested this.

Access to Sport and extra-curricular provision

We ensure that any child with an additional need is supported to ensure they can access any activity they wish to participate in, including all PE lessons.
Financial support is available to children who may otherwise not be able to access after-school clubs.

Year 1 and 2 PE Survey 2017

YES ☺

NO ☹

1. Do you enjoy your PE lessons at Emmbrook?

100%

0%

2. Have you enjoyed your lessons with Mr Fisher?

97%

3%

Why?

- Because he does nice things to be fit & healthy
- Because he makes the PE lessons hard
