

Emmbrook Infant School
Summary of the School Improvement Plan 2018-2019

Ofsted: Achievement / Teaching & Learning

Priority 1:

To ensure opportunities for deeper learning are offered across the wider curriculum.

Priority 2:

To ensure all learning is clearly differentiated for the more able.

Priority 3:

To review and refine assessment procedures ensuring they inform planning so that children make very good progress from starting points.

Priority 4:

To continue to ensure all pupils identified with SEND have their needs fully identified and met.

Ofsted: Early Years Foundation Stage

Priority 5:

To continue to ensure more able pupils are identified and appropriate, challenging opportunities are planned for across the curriculum.

Ofsted: Leadership & Management

Priority 6:

To develop effective school improvement through Peer Review and school-to-school support.

Priority 7:

To ensure school governance is outstanding.

Resources (Financial management)

Priority 8:

To maintain and enhance the school environment and buildings.

Progress against our School Improvement Plan is reviewed at all governor meetings. Impact against the priorities is defined at the end of the academic year in consultation with members of the Governing Body.
