Parental Agreement for school to administer prescribed medicine

The school can only administer medication to a child when a Parent/Carer completes and signs the agreement below. We are unable to administer any medication that is not prescribed by a GP.

Note: Medicines must be the original container as dispensed by the pharmacy	
Date	
Child's Name	
Class	
Name and strength of medicine as stated on the container (If more than one medicine is to be given a separate form should be completed for each one)	
How much to give (i.e. dose to be given)	
When to be given	
Any other instructions	
Daytime phone no. of parent or adult contact	
Name and phone no. of GP	
Date of last dose or an agreed review date to be initiated by the School Office	

The above information is, to the best of my knowledge, accurate at the time of completion and I give my consent to school staff to administer the medicine in accordance with the school policy. I will inform the school immediately, in writing, if there is any change in dosage or frequency of the medication or if the medicine is stopped.
