**(Please see key on last page for an explanation of the admission criteria for community and voluntary controlled schools)**

School	Published Admission Number	Allocation Detail – Statement for Appeal Purposes
Alder Grove Primary School	60	The Governing Body considered and ranked all applications received by the deadline in accordance with the school's oversubscription criteria. After co-ordination, the last child allocated came from Category 4 living 0.721 miles from the school. There were insufficient places for the remaining 23 children (20 in Category 4 and 3 in Category 6) who have been provisionally placed on a waiting list pending confirmation from parents that they wish to remain on the waiting list for the school. Admission of further children would cause infant class size prejudice.
Aldryngton Primary	45	The school was fully allocated with applicants who qualified under oversubscription criteria A to E and 11 under criterion F. The last child allocated under criterion F lived 0.444 miles from the school according to the computerised mapping system used by the council's School Admissions Team. There were insufficient places for the remaining 30 children in criterion F who have been provisionally placed on a waiting list pending confirmation from parents that they wish to remain on the waiting list for the school. The local authority will advise an appeals panel that the admission of further children would prejudice future infant class size.

\* Places at the Resource are to be allocated by the Special Educational Needs Team in accordance with the review of individual pupil assessments.

## KEY TO HOW PLACES WERE ALLOCATED IN COMMUNITY AND VOLUNTARY CONTROLLED SCHOOLS

The following oversubscription criteria, in order of priority, were applied when a community or voluntary controlled school received more preferences than places available:

- A 'Looked after' children or children who were 'looked after', but ceased to be so because they were adopted or became subject to a residence order or special guardianship order (previous 'looked-after' children)
- B Families who have exceptional medical or social needs as the grounds for their admission to a particular school
- C Children whose permanent home address is **inside** the schools' designated area and who has a sibling at the school at the time of application; who is expected to be attending the school when the child will enter the school.
- D Children whose permanent home address is in the school's designated area
- E Children whose permanent home address is **outside** the schools' designated area and who has a sibling at the school at the time of application; who is expected to be attending the school when the child will enter the school.
- F Any other children

*For both community and voluntary controlled schools - all children with statements of special educational needs or an Education, Health and Care Plan that named a school in the statement or plan were admitted to the school that was named*

If the school does not have sufficient places for children in any category, places will then be allocated on the basis of the radial distance using the local authority's computerised mapping system and the distance will be measured as a straight line between the Land and Property Gazetteer address points for the respective home address and school.

The Parent's Guide provides further information relating to each of the above oversubscription criteria
